Gas Research Institute; Notice of Annual Application

July 6, 1995.

Take notice that on July 3, 1995, Gas Research Institute (GRI) filed an application requesting advance approval of its 1996-2000 Five-Year Research, Development and Demonstration (RD&D) Plan and the second year of the 1995-1996 RD&D Program, and the funding of its RD&D activities for 1996, pursuant to the Natural Gas Act and the Commission's Regulations, particularly 18 CFR 154.38(d)(5).

In its application, GRI proposes to increase its contract obligations to \$218.8 million in 1996, an increase of 4% over the authorized 1994 obligations

budget. GRI seeks to collect \$208.3 million through jurisdictional rates and charges during the twelve months ending December 31, 1996. This \$208.3 million, plus additional funds, will provide the necessary cash to fund the 1996 RD&D Program.

GRI proposes to fund the second year of its 1995-1996 RD&D Program through the following surcharges: (1) A demand/reservation surcharge on two-part rates of 26.6 cents per Dth per Month for "high load-factor customers"; (2) a demand/reservation surcharge on two-part rates of 16.4 cents per Dth per month for "low load-factor customers"; (3) a volumetric commodity/usage surcharge of 0.85 cents for firm services involving two-part rates and for one-part interruptible rates; (4) a special "small customer" surcharge of 2.0 cents per Dth; and (5) a surcharge of 1.73 cents per Dth per month for one-part, firm service outside the "small customer" class. GRI asserts that these surcharges comply with the Commission's March 22, 1993 "Order on Contested Settlement" approving, without modification, the "Stipulation and Agreement Concerning Post-1993 GRI Funding Mechanism".

The Commission Staff will analyze GRI's application and prepare a Commission Staff Report. This Staff Report will be served on all parties and filed with the Commission as a public document by August 25, 1995. Comments on the Staff Report by all parties, except GRI, must be filed with the Commission on or before September 8, 1995. GRI's reply comments must be filed on or before September 15, 1995.

Any person desiring to be heard or to protest GRI's application, except for GRI members and state regulatory commissions, who are automatically permitted to participate in the instant proceedings as intervenors, should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with Rules 214 and 211 of the Commission's Rules of Practice and Procedure, 18 CFR 385.214 and 385.211. All protests, motion to intervene and comments should be filed on or before July 17, 1995. All comments and protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to this proceeding. Any person wishing to become a party, other than a GRI member or a state regulatory commission, must file a motion to intervene. Copies of this application are

on file with the Commission and are available for public inspection.
